Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

Notes:

The attached translation is a rough draft of Muc Be Tam from the current Vietnamese LED Weekly version, that is prepared especially for English-speaking Vô-Vi fellow practitioners by the English Translation Team.

The Editorial Staff strongly suggests that the document is not to circulate outside the Sunday discussion group, to maintain the accuracy of Master's teaching. A final edited version will be formally published at a later date.

Letter from the Editor

Voyages On Earth

“Voyages on Earth” is translated from the Vietnamese translation of the original Chinese spiritual document for readers to open their minds and try to understand many facets of truth. This book is a companion to the already published book “Voyages to Hell”. It serves to awaken many other human beings who don't know the law of cause and effect.

The Taiwanese use of mediums described in this book should not be confused with VoVi. For further information about the original version of this book, please write to:

SHENG TE MAGAZINE ASSOCIATION
20 Ching Dao Rd, Section 4

The translation will continue next week. Thanks for your understanding.
