## Spiritual Practice

With spiritual practice we will save ourselves, breathing thoroughly with the  
exercise of cyclical breathing without retention,  
Awakening ourselves, we judge social and spiritual matters clearly,  
Understanding deeply the noble Heaven, we comprehend the words of Truth,  
Practicing the righteous dharma, we see the noble Heaven clearly.

*Respectfully,  
Vi Kien*

Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

Q: What do "greediness and lust" mean?

A: Greediness and lust mean that we have all kinds of desires.

**Psalm**

*Led by greediness and lust, people cannot make  
spiritual progress,  
Awakening our consciousness and keeping a serene  
heart, we resolve our own worries,  
Repenting our mistakes, we naturally feel tranquility,  
Stumbling on life's obstacles, we lose loyalty and  
trustworthiness.*

A: When we want something but cannot satisfy our desire, we must become agitated.

**Psalm**

*Unable to satisfy our desires, we must become greedy  
and lustful,  
Agitated by greediness and lust, we lie to ourselves,  
Unable to succeed, we augment our cruelty,  
Those who understand thoroughly and devote  
themselves to spiritual cultivation will achieve leisure  
and tranquility.*

Q: What should we do when we enter the door but are not greeted?

A: When we enter the door but are not greeted, we should understand the sign of warning. We should perfect our spiritual mind and character immediately in order to avoid turbulence.

**Psalm**

*Only after finishing to learn the lesson will we awaken  
our soul,  
Practicing and progressing on our own, we do not  
devise any plots,  
Resolving difficulties on the social and spiritual planes,  
we ascend higher on our own,  
Learning continuously, we will surmount obstacles on  
our own.*
