Baby Tam Talking To You

From 17 June 2000 to 23 June 2000

Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,
Baby Tam

| <p>Monaco, 18 June 2000</p> <p><i>Q: Do people who slander and accuse others succeed?</i></p> <p>A: Slandering and accusing others do not bring good consequences.</p> | <p style="text-align: center;"><u>Psalm</u></p> <p><i>Forging stories to slander others will only fail, Harming oneself and others, one will cause further entanglements, Let's practice with resolution without holding to resentment, Let's not go in circles, as life is ephemeral in this earthly world!</i></p> |
| <p>Monaco, 19 June 2000</p> <p><i>Q: What should one do in order to understand earthly emotions and the spiritual path thoroughly?</i></p> <p>A: In order to understand earthly emotions and the spiritual path thoroughly, one must spend great efforts to practice meditation a lot. Only when one's cranial psychic center becomes illuminated and directs itself toward the center of energy of the universe, will one clearly analyze earthly life and spiritual life.</p> | <p style="text-align: center;"><u>Psalm</u></p> <p><i>When our cranial psychic center projects light, we will achieve wisdom, We will clearly see our itinerary as we understand earthly life and spiritual life clearly, Our soul will practice in the sphere of energy, and our consciousness will learn about the spiritual path, Enlightening our mind and seeing our character, we will see ourselves clearly.</i></p> |
| <p>Monaco, 20 June 2000</p> <p><i>Q: Why do people who lack good fortune fail on the spiritual path?</i></p> <p>A: Those who lack good fortune turn more toward earthly life. Residing on earth, they are influenced by earthly life. They become agitated, and lack courage and resolution to advance on the spiritual path. They lack serenity, and thus, they nurture blame, and criticize others, which leads nowhere. Eventually, they will be subject to an incurable disease in order to understand the law of cause and effect. Even though they want to die, they cannot die. They will be paralyzed and immobilized on their bed, and will only lament with Heaven and blame Earth.</p> | <p style="text-align: center;"><u>Psalm</u></p> <p><i>The earthly world does not harm us, Ignoring one's mind and body, one destroys them and harvests sorrow on one's own, Not understanding the original principle, one accepts to kill oneself, The Divine Law is clear and bright like a boat.</i></p> |

Q: What will happen to evil demons before their death?

A: Before their death, the evil demons will feel anger and resentment overflowing their hearts, and both their minds and bodies will be restless.

Psalm

*It's hard for those with deep cruelty to advance,
They vow to contribute their share of lust and agitation,
Overflowing with argumentation, their heart wants
destruction,
Lacking spiritual practice, they deceit others as being
arduous.*

Monaco, 22 June 2000

Q: Is there any benefit when evil spirits dissect the spiritual path and cause disruption?

A: They claim to be honorable, but they cause lust for themselves. They only harm their mind and body without knowing it.

Psalm

*Unrighteous sensuality, anger and resentment will
never bring progress,
Unable to present their arguments flawlessly, they will
feel sorrow,
Losing their sincerity, they will turn to agitated
argumentation,
When sincerity and trustworthiness disappear, their
heart will be restless.*

Monaco, 23 June 2000

Q: Do crazy and agitated people completely ignore the consequences?

A: Crazy and agitated people will see their bodies and souls disintegrated, and they will turn into insects.

Psalm

*Craziness, agitation and blinded passions will only
cause harm to oneself,
When the soul disappears, one no longer has vivacity,
Tired and lacking lucidity, one is no longer alert,
Harming others means to harm oneself and to lose
one's intelligence.*
